COMMITTEE TALK

WELCOME TO 2026

The Committee of JNA warmly welcomes all returning players and families, and a big hello to those joining us for the first time!

We're excited for another season of teamwork, growth, friendships and fun on the court. JNA is more than a club, it's a community, and we're so proud of the positive, supportive environment we create together.

A heartfelt thank you to our clubs, coaches, managers, umpires and volunteers who give their time to make every game possible, we couldn't do it without you.

Here's to a fantastic season ahead.

See you on the courts! *Your JNA Committee*

NUTRITION note

On days when you have multiple training sessions or games, make sure you have plenty of water, pre-prepared snacks like peanut butter sandwiches, muesli bars, yoghurt, fruit, trail mixes and pretzels.

Why would Cinderella be a bad netball player?

Because her coach is a pumpkin and she ran away from the ball!

TRAINING UPDATE

STATE AGE PREPARATION UNDERWAY

Training is officially underway and our Junior and Senior representative teams are already looking sharp on court. The energy, commitment and teamwork at sessions have been fantastic to see.

Alongside weekly netball training, all teams are building strength and fitness with support from **Holistic Health Studios**, helping our athletes grow stronger and more confident as they prepare for competition.

With the hard work happening now, our players are laying the foundations for a big State Age 2026 — and we can't wait to see what they achieve!

safeguarding CHILDREN

IT'S OK TO SPEAK UP

We're proud to introduce **Ida** as the **Safeguarding Children Officer** for JNA.

Ida is here to help ensure our netball environment is **safe, inclusive and supportive** for every player and family. She is a friendly, approachable contact for any concerns relating to child safety, wellbeing or behaviour on or around the courts.

A Safeguarding Officer in netball is the key person at club level responsible for ensuring a child-safe environment, acting as the first point of contact for concerns about child welfare, implementing policies, and reporting issues to relevant authorities, following guidelines from bodies like Netball Australia and Netball Queensland.
